

Lablaco GIVE

Lablaco is the world's first Digital Circular Fashion platform where you can Shop, Give and Share your style.

"Our mission is to solve "fashion waste" by giving unused clothes a second life. Share your closet with the world and find free clothes nearby, thanks to a detailed 3D city map". Lablaco SHOP
A democratised space for fashion brands and designers to share their creations and inspirations with you directly to shop from without any markup costs or intermediaries. Learn more
Lablaco GIVE

A platform for you to share your wardrobe by giving your unused clothes a second life and passing them over to new users, hence, closing the fashion consumption loop and reducing fashion waste. Learn more
Get Involved!

Join the Lablaco community and help us create a sustainable fashion system whether through sharing your fashion style or your wardrobe.
