

Cometa is committed to foster, educate and develop children and young people in general and to support their families. Cometa is the place where children and young people are encouraged to appreciate the meaning and beauty of life while sharing everyday experiences and where the families are helped and supported in their educational efforts. Cometa's passion for education and commitment to its cause has been the driving force behind the development of many initiatives that respond to the needs of an ever-growing number of children and young people.

### COMETA'S MISSION

To promote young people's harmonious growth and development  
To encourage the expression of each individual talent and capacity through study, knowledge and experience  
To offer support of a young person's academic growth and to prevent school dropout  
To foster young people's development through the acquisition of specific competencies, supported by workshops and work experiences to initiate them in their chosen trade.

### COMETA'S ACTIVITIES

- Daily and residential fostering services, emergency shelter
- Support centre for students and orientation services
- Legal, counselling and family reconciliation services
- Vocational development and support to prevent high levels of school dropout
- Sport and summer activities
- Advice for job security
- Training courses for adults in employment, out of work and unemployed.
