THE CITIZENS FOUNDATION

The Citizens Foundation is a professionally managed, non-profit organization set up in 1995 by a group of citizens who wanted to bring about positive social change through education. 25 years later, TCF is now one of Pakistan's leading organizations in the field of education for the less privileged. All TCF Schools are landmarks in their communities. "Our school buildings are well-equipped with airy and well lit classrooms, an administrative block, playground, library, computer and science labs to provide students with a stimulating learning environment. A standard, single unit TCF Primary School has a covered area of approximately 6,500 square feet with 6 classrooms and a capacity of 30 students each, whereas a standard, single unit TCF Secondary School has a covered area of approximately 9,000 square feet with 5 classrooms and a capacity of 36 students each". Vision Positive Change To remove barriers of class and privilege to make the citizens of Pakistan agents of positive change.
